

# Choice of final project

**Hello! Congratulations on getting until here, today you are going to choose the final project you will work on today and tomorrow**

-Below are 3 options from which you have to choose one to develop with the skills you have acquired throughout the week.

## **Option 1**

### **Let's save the planet!**

Design a website to raise awareness about climate change and the impact that our daily actions have on the planet.

-Create an alert that welcomes the user and add the text you want, the text must be related to climate change awareness.

-Insert a photograph that shows a clear example of the effect of climate change.

-Find out how to embed a YouTube video on your page. (It's very similar to what you did with Spotify) and put in a video explaining what climate change is.

-Insert the Spotify module to play a song you like.

-Insert the instagram of a person or institution that publishes nature photographs.

-Write a reflection on the global climate situation. Use at least two different styles for your text and create at least two different sized headings.

## **Option 2**

### **My favorite artist**

Design a website dedicated to your favorite band or artist.

-Create a welcome alert for the user and add the text you want. The text should be related to how cool your favorite artist is.

-Insert 3 photographs of concerts or album covers of your artist.

-Find out how to insert your artist's tweets on your page. It is something very similar to what we did with Spotify. (Hint, look here: <https://publish.twitter.com/>) and insert it.

-Write a short review of your artist. Its beginnings, most famous works, some interesting anecdote and why it is your favorite. Use at least two different styles for your text and create at least two different sized headings.

-Insert the Spotify module to be able to play music from your artist.

### **Option 3**

#### **Dear Diary**

Design a website for your personal blog.

-Create a welcome alert to the user and add the text you want. The text should be related to you or something you would say.

-Insert a cover photo. Preferably one that you have taken.

-Also add a photograph of yourself.

-Insert your instagram profile.

-Add Spotify module to play songs you like.

-Write the first entry of your blog. Some important event that you lived or something that you wanted to share with the world. It must have at least 4 paragraphs, two of them with different formatting. Create at least two different sized titles.
